

EXPANDED MODE

6 - 12 PLAYERS | 90+ MINS

Play Mixtape Massacre with more friends and a full town. Set-up and rules below.

Please read the rulebook included with Mixtape Massacre for standard set-up and rules of play as the majority of gameplay will remain the same during expanded play. Rules are also available for download on mixtapemassacre.com.

Below are the additional notes for set-up and rules for when playing with both boards together.

COMPONENTS NEEDED FROM ESCAPE FROM TALL OAKS

- Escape from Tall Oaks Game Board
- 6 Player Stations (rulers) / Green Health Pegs
- Rescue/Souvenir Tokens (use of these will only apply depending upon how many souvenirs you're playing towards per player)

SETTING THE SCENE

First, connect both game boards, placing **Galaxy Comics** and the **Wishing Well** locations back to back, with the boards placed in the center of your table. All locations, *including the Tall Oaks Rec Center*, should have Scene Tokens / Souvenirs placed in them at the start of the game.

START POINTS

All active player pieces should be placed on start points on either board. Start points are marked **red with a white knife** or **blue with a white bat**. Players may choose the spot they wish to start from.

PLAYER SET-UP / STATIONS

When setting up player stations, 6 (six) Players will use the player stations (knives) and red pegs provided with Mixtape Massacre. Any additional players will need to use the player stations (rulers) and green pegs provided with Escape from Tall Oaks.

TRAVELING BETWEEN BOARDS

Though the boards are connected, **Sewer Shortcuts** will be the only way to get from one side of town to the other. If a player lands on a Sewer Shortcut — they can move their character to any other sewer space with the same color, on either board (**orange or blue**).

***NOTE:** If the player rolls more than it takes to get to a corresponding sewer space, they count the sewer space as 1 (one) of their moves, and continue their turn from the next sewer space they move to. Landing on the sewer space you move to does not count as a move.*

RESTOCKING SCENE MARKERS

*When all locations have been cleared on both boards (no Scene Markers), **restock Scene Markers in all locations** except the last location where the last Scene Marker was taken.*

WINNING THE GAME

To win **Mixtape Massacre**, be the first player to **collect the suggested amount of souvenir tokens** (or the amount agreed upon by players), **or be the last one alive!**

Suggested amount of souvenir tokens per players:

- | | |
|-----------------|--------------|
| 6 - 8 Players: | 10 souvenirs |
| 8 - 12 Players: | 7 souvenirs |

THE BLACK MASQUE & LOCKDOWN EXPANSIONS

Own either the **Black Masque Expansion** or **Lockdown Expansion**? These expansions can be mixed in and added to Mixtape Massacre just like they currently are, just you'll be playing with a bigger board and more friends.

Please read the rulebooks included with The Black Masque and Lockdown Expansions for rules of play and new mechanics.

Now grab some friends and get bloody.
